

FIND YOUR PARTNER THROUGH JETRO'S ICT PARTNERING JAPAN PROGRAM

JETRO invites you to participate in the ICT Partnering Japan Program, a free business matching program designed to give you direct access to leaders and innovators in Japan's technology industry.

Who Should Apply?

Any (non-Japanese) ICT related company who does not already have an exclusive partner in Japan.

How Does the Program Work?

JETRO will submit your company's information to Japanese companies who are seeking new technology. The Japanese companies will notify JETRO of their interest, after which time your nearest JETRO office will contact you with the Japanese companies' responses and contact information where appropriate.

Sectors may include but are not limited to the following:

- Software
- Encryption
- Broadband
- RFID
- Biometrics
- WiMax
- Home Networks
- Next Generation Mobile Devices
- MEMS
- Advanced Materials/Nanotechnology

How Do I Apply?

Obtain a program application from your nearest JETRO office and return your completed application to the same office. There is no application deadline, as this program is offered on an ongoing basis.
